

You are Invited to hear:

Kobe Matesic

**“HOW GOD CAN MAKE A
DIFFERENCE IN YOUR LIFE!”**

In College, Kobe was a standout nose tackle for the University of Wooster Football Team. Kobe's skills were recognized by professional football scouts, and he was invited to meet with representatives of the Detroit Lions and the Indianapolis Colts. However, before that could happen, Covid hit; and his senior season at Wooster was cancelled as well as his meetings with the scouts. However, no matter what life throws your way, God can make a difference.

Come and hear how God has made a difference in Kobe's life.
